**DOROTHY WILSON IS NAMED DEPUTY ASSISTANT GENERAL
COUNSEL IN NLRB'S DIVISION OF OPERATIONS-MANAGEMENT**

National Labor Relations Board's General Counsel Ronald Meisburg announced the appointment of career attorney Dorothy D. Wilson as Deputy Assistant General Counsel in the Division of Operations-Management of the Office of the General Counsel in Washington. In her new position, Ms. Wilson will assist the General Counsel in managing the 32 Regional Offices of the NLRB and provide programmatic support for the national enforcement and administration of the National Labor Relations Act.

The NLRB investigates and remedies unfair labor practices and conducts secret-ballot elections to determine whether employees desire union representation.

Commenting on the appointment, General Counsel Meisburg stated:

Dottie Wilson has served the NLRB with distinction for 28 years. While she has been a member of the field staff of the Agency thus far during her career, her many talents and ample managerial skills have led headquarters managers to call upon her to serve leading roles on many national programs including trial training, case handling manual development, legal writing instruction and electronic case management program development. Her proven legal skills and management experience will be an invaluable asset to our Agency in her new role in the Division of Operations-Management.

Ms. Wilson was awarded her bachelors degree from Auburn University in 1972 and her legal degree from the University of Georgia in 1975. She worked for the State of Georgia before she began her NLRB career as a field attorney in the St. Louis Regional Office (Region 14) in 1981. She was promoted to the Supervisory Attorney position in St. Louis in 1991 and the Deputy Regional Attorney position in 1997, also in St. Louis. She transferred to the Nashville Resident Office of Region 26 (Memphis) in 2000 and was promoted to Regional Attorney in Memphis in 2004.
